REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS TO THE MEMBER OF SBM BANK (MAURITIUS) LTD

Opinion

The summary financial statements which comprise the statements of financial position as at 31 December 2018, the statements of profit or loss and other comprehensive income, statements of changes in equity, statements of cash flows for the year then ended, are derived from the audited financial statements of SBM Bank (Mauritius) Ltd (the Bank) for the year ended 31 December 2018.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with the requirements of the Banking Act 2004 as disclosed in the summary financial statements.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards and the requirements of the Companies Act 2001 and the Banking Act 2004. Reading the summary financial statements and auditor's report thereon, therefore, is not a substitute for reading the audited financial statements of the Bank and the auditor's report thereon.

The summary financial statements and audited financial statements, do not reflect the effects of events that occurred subsequent to the date of our report on those financial statements.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our reports dated 31 March 2019. That report also includes

- Other Matter paragraph which describes that the report is made solely to the Bank's member in accordance with Section 205 of the Companies Act 2001 and for no other purpose.
- Report on other legal and regulatory requirements includes reporting as per:
 - Companies Act 2001 that no interest or relationship in the Bank other than in our capacity as auditors, all required information have been obtained and proper accounting records have been kept by the Bank.
 - Banking Act 2004 that financial statement complies with the requirement of the Banking Act 2004 and regulation and guidelines of Bank of Mauritius.
 - Financial Reporting Act 2004 that the disclosures in the Corporate Governance Report are consistent with the requirements of the Code.
- The communication of key audit matters. [Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period.]

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements in accordance with the requirements described in the Banking Act 2004.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810 (Revised), "Engagements to Report on Summary Financial Statements."
