** Annualised*

Capital structure

In line with the Bank of Mauritius Guidelines on Scope of Application of Basel III and Eligible Capital, the Group has implemented the Standardised Approach of measurement of credit and market risk and applies the Alternative Standardised Approach as per BOM's Guideline on Operational Risk Management and Capital Adequacy Determination for the calculation of operational risk capital.

The Group maintains its capital structure within prudential and supervisory limits and ensures it has adequate capacity for future development and growth.

The table below shows Tier 1 and Tier 2 Capital for the Group and the resulting capital adequacy ratio which stood at 19.7% as at 30 September 2026 (31 December 2025: 20.5%). The reduction was mainly attributable to the increase in risk-weighted assets; however, the ratio remained comfortably above the minimum regulatory requirement of 14.5%, supported by profit after tax of MUR 4.7 billion recognised during the current period under review.

	Unaudited Nine months ended 30 September 2026	Audited Year ended 31 December 2025
	MUR million	MUR million
Capital Base		
Tier 1	**37,300**	34,076
Tier 2	**12,932**	13,387
	50,232	47,463
Risk Weighted Assets		
On balance sheet	**208,693**	189,195
Off balance sheet	**22,247**	18,142
Operational Risk	**22,451**	22,451
Market Risk	**1,940**	1,745
	255,331	231,533
Capital Adequacy Ratio (%)	**19.7**	20.5
Tier 1 Capital Adequacy Ratio (%)	**14.6**	14.7

Credit risk concentration

The Group has complied with the Bank of Mauritius Guideline on Credit Concentration Risk. Total outstanding credit facilities, net of deposits where there is a right of set off, including guarantees, acceptances, and other similar commitments extended by the Group to any one customer or group of closely-related customers for amounts aggregating more than 10% of its Tier 1 capital amounted to MUR 15.9 billion representing 42.7% of its Tier 1 capital, well within the 800% allowed under the Guideline on Credit Concentration Risk.

Related party transactions

The Group provides banking services to some of its related parties in the ordinary course of business which are at arm's length.

On and off balance sheet exposures to related parties after set off amounted to MUR 20.2 billion. The aggregate of non-exempted exposures to related parties represented 5.0% of Group's Tier 1 Capital, which is well within the limit of 60% prescribed in the BOM Guideline on Related Party Transactions.

Non-performing related party exposures amounted to MUR 1.1 billion as at 30 September 2026.

The Board of Directors is responsible for overseeing the financial reporting processes undertaken by management. They have ultimate responsibility for ensuring that legislative requirements in relation to financial reporting are complied with. In accordance with the Mauritius Companies Act 2001 and IAS 34 – Interim Financial Reporting, the Directors affirm their responsibility to ensure that the condensed consolidated and separate interim financial information is prepared to give a true and fair view of the financial position and financial performance of the Group. Management is responsible for preparing the condensed consolidated and separate interim financial information and for the effective operation of the internal control system and related processes.

The Board is required to ensure that the condensed consolidated and separate interim financial information is prepared on the going concern basis unless it is inappropriate to presume that the Group will continue in business. The Directors also exercise oversight over the following:

• suitable accounting policies have been selected and and should be read in conjunction with the Group's annual financial statements for the year ended 31 December 2025, which have been prepared under IFRS Accounting Standards;

• judgements and estimates are reasonable; and

• IAS 34 has been followed and any material departures have been disclosed and explained in the condensed consolidated and separate interim financial information.

The Board confirms that the above requirements have been respected in preparing the condensed consolidated and separate interim financial information.

The Board is also ultimately responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Group and to enable them to ensure that the condensed consolidated and separate interim financial information comply with the Mauritius Companies Act 2001. In order to ensure proper accounting records, the Group has designed and maintained its accounting systems, related internal controls and supporting procedures, to provide reasonable assurance that financial records are complete and accurate, and that assets are safeguarded against loss from unauthorised use or disposal. In this respect, the Board of Directors delegates the day to day running of the Group to the Group Chief Executive Officer (GCEO) and to various management forums. The Board, through its Sub-Committees, exercises oversight over Management's responsibility for financial reporting and for implementing and maintaining effective internal controls and procedures to ensure ongoing compliance with prevailing legal and regulatory requirements.

The Board of Directors is made up of the following members:

		Appointment date	Resignation date	
(1)	Mrs Belinda Vacher***	16 Oct 25	-	Independent Director & Interim Chairperson
(2)	Mr Mahendra Vikramdass Punchoo	15 Sep 25	30 Oct 26	Independent Chairman
(3)	Mr Mohamed Javed Aboobakar	16 Oct 25	-	Independent Director
(4)	Mr Pramod Kumar Bissessur	11 Apr 25	-	Independent Director
(5)	Mr Raoul Claude Nicolas Gufflet*	28 Nov 22	-	Executive Director & Group CEO
(6)	Mr Deobruthsingh Jaypaul	11 Apr 25	-	Independent Director
(7)	Mr Aakash Krishan Kalachand	11 Apr 25	-	Independent Director
(8)	Mr Mooneesing Janna Naikeny**	11 Nov 25	-	Executive Director & Acting Group CEO
(9)	Mr Nureshkumar Prayag	19 May 26	-	Non-Executive Director
(10)	Mrs Danisha Sornum	11 Apr 25	-	Independent Director

* Suspended from office effective 28 July 2026
** Appointed as Acting Group CEO effective 07 August 2026
*** Appointed as Interim Chairperson effective 04 November 2026

The Committees reporting to the Board are as follows:

- Audit Committee
- Corporate Governance and Conduct Review Committee
- Group Transformation and Technology Committee (dismantled on 10 November 2026)
- Nomination & Remuneration Committee
- Risk Management Committee
- Strategy and Business Review Committee
- Sustainability Committee
- Board Legal Committee (dismantled on 10 November 2026)

Composition of the committees is reviewed on an on-going basis and is approved by the Board of SBM Holdings Ltd.

The Group's unaudited condensed consolidated and separate interim financial information have been prepared by management, which is responsible for their integrity, consistency, objectivity and reliability. IAS 34 Interim Financial Reporting, as well as the requirements of the Mauritius Companies Act 2001 and other applicable laws and regulations have been applied and management has exercised its judgement and made best estimates as deemed necessary.

The Group has designed and maintained its accounting systems, related internal controls and stringent procedures, to provide reasonable assurance that financial records are complete and accurate and that assets are safeguarded against loss from unauthorised use or disposal. These processes include careful selection and training of qualified staff, the implementation of organisational and governance structures providing a well defined division of responsibilities, authorisation levels and accountability for performance, and the communication of the Group policies, procedures manuals and guidelines throughout the Group.

The Group's Board of Directors, acting in part through the Audit Committee, which consists of independent directors, oversees management's responsibility for financial reporting, internal controls, assessment and control of major risk areas and assessment of significant related party transactions.

Approved by the Board on **12 November 2026** and signed on its behalf by:

Mrs Belinda Vacher
Chairperson

Mr Aakash Krishan Kalachand
Chairman, Audit Committee

Independent Auditor's Report

To the Directors of
SBM Holdings Ltd

Report on the Review of the Condensed Consolidated and Separate Interim Financial Information

Introduction

We have reviewed the accompanying condensed consolidated and separate interim statements of financial position of SBM Holdings Ltd (the "Company") and its subsidiaries (the "Group") and of the Company standing alone as at 30 September 2026 and the related condensed consolidated and separate interim statements of profit or loss and statements of comprehensive income for the three-month and nine-month periods then ended, and condensed consolidated and separate interim statements of changes in equity and statements of cash flows for the nine-month period then ended, and explanatory notes on pages 8 to 24. Management is responsible for the preparation and presentation of these condensed consolidated and separate interim financial information in accordance with International Accounting Standard 34, 'Interim financial reporting'. Our responsibility is to express a conclusion on these condensed consolidated and separate interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated and separate interim financial information on pages 8 to 24 is not prepared, in all material respects, in accordance with International Accounting Standard 34, 'Interim financial reporting'.

The notes on pages 14 to 24 form an integral part of these condensed consolidated and separate interim financial information.

1 General information

SBM Holdings Ltd (the "Company") is a public company incorporated on 18 November 2010 and domiciled in Mauritius. The Company is listed on the Stock Exchange of Mauritius as from 03 October 2014 pursuant to the Group restructuring approved by the Bank of Mauritius. The address of its registered office is SBM Tower, 1 Queen Elizabeth II Avenue, Port Louis, Mauritius.

The Group operates in the financial services sector, principally commercial banking. The unaudited condensed consolidated and separate interim financial information is presented in Mauritian Rupee, which is the Company's functional and presentation currency. All values are rounded to the nearest thousand (MUR'000), except where otherwise indicated.

2 Accounting policies

This unaudited condensed consolidated and separate interim financial information does not include all the information and disclosures contained in the annual financial statements, and should be read in conjunction with the Group's annual financial statements for the year ended 31 December 2025, which have been prepared under IFRS Accounting Standards.

Basis of preparation

This unaudited condensed consolidated and separate interim financial information for the nine months ended 30 September 2026 has been prepared in accordance with IAS 34 Interim Financial Reporting. The accounting policies adopted in the preparation of the unaudited condensed consolidated and separate financial information for the nine months ended 30 September 2026 are consistent with those followed in the preparation of the Group's and the Company's audited financial statements for the year ended 31 December 2025, except for the adoption of new standards and interpretations effective as from 01 January 2026, as disclosed in note 5 (a) below. The adoption of these new standards and interpretations have had no significant impact on the amount reported for the current and prior periods.

3 Significant accounting judgements and estimates

The preparation of the condensed consolidated and separate interim financial information requires the directors to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and income and expense. Actual results may differ from these estimates.

In preparing this condensed consolidated and separate interim financial information, the significant judgements made by the directors in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited financial statements for the year ended 31 December 2025, except for intangible assets following a reassessment of useful life.

4 Significant changes in the current reporting period

The Company has issued a letter of comfort in connection with certain FCNR(B) deposit arrangements of SBM Bank (India) Limited ("SBMBI"). The Company's undertaking is subject to the terms and conditions of the letter of comfort.

In connection with these arrangements, the Company has recognised a financial guarantee liability in favour of SBM Bank (Mauritius) Ltd ("SBMBM") relating to the FCNR(B) deposits mobilised by SBMBI.

5 Application of new and revised standards and interpretations

(a) New and revised IFRS Accounting Standards as issued by the IASB

A number of new standards, amendments to existing standards and interpretations are effective for the first time for the accounting period beginning 01 January 2026. None of these had a significant effect on the financial information of the Group.

(i) Amendments to the Classification and Measurement of Financial Instruments Amendments to IFRS 9 and IFRS 7 (effective for annual periods beginning on or after 01 January 2026)

On 30 May 2024, the IASB issued targeted amendments to IFRS 9 and IFRS 7 to respond to recent questions arising in practice, and to include new requirements not only for financial institutions but also for corporate entities. These amendments:

- Clarify the date of recognition and derecognition of some financial assets and liabilities, with a new exception for some financial liabilities settled through an electronic cash transfer system;
- Clarity and add further guidance for assessing whether a financial asset meets the solely payments of principal and interest (SPPI) criterion;
- Add new disclosures for certain instruments with contractual terms that can change cash flows (such as some financial instruments with features linked to the achievement of environment, social and governance targets); and
- Update the disclosures for equity instruments designated at fair value through other comprehensive income (FVOCI).

(b) New and revised IFRS Accounting Standards in issue but not yet effective

A number of new standards, amendments to existing standards and interpretations are effective for periods beginning after 01 January 2027 and which are as follows .

(i) IFRS 18 Presentation and Disclosure in Financial Statements (effective for annual periods beginning on or after 01 January 2027)

IFRS 18 will replace IAS 1 Presentation of financial statements, introducing new requirements that will help to achieve comparability of the financial performance of similar entities and provide more relevant information and transparency to users. Even though IFRS 18 will not impact the recognition or measurement of items in the financial statements, its impacts on presentation and disclosure are expected to be significant, in particular those related to the statement of financial performance and providing management-defined performance measures(MPMs) within the financial statements.

The Group is currently assessing and implementing IFRS 18 Presentation and Disclosure in Financial Statements, with support from an external consultant. The implementation project focuses on the presentation and classification of items within the statement of profit or loss, consequential amendments to the statement of cash flows, disclosures relating to management-defined performance measures (MPMs), and the principles governing the aggregation and disaggregation of information in the financial statements.

As part of its implementation plan, the Group is reviewing its reporting templates, chart of accounts, and account mappings to ensure compliance with the new requirements from 1 January 2027. Work is also underway to prepare the comparative information that will be required upon initial application of the standard.

(ii) IFRS 19 Subsidiaries without Public Accountability (effective for annual periods beginning on or after 01 January 2027)

Issued in May 2024, IFRS 19 allows for certain eligible subsidiaries of parent entities that report under IFRS Accounting Standards to apply reduced disclosure requirements. The Group does not expect this standard to have an impact on its financial information.

(iii) IFRS 20, Regulatory Assets and Regulatory Liabilities (effective for annual reporting periods beginning on or after 1 January 2029)

IFRS 20 establishes requirements for the recognition, measurement, presentation and disclosure of regulatory assets and regulatory liabilities arising from regulatory agreements that determine the regulated rates an entity charges customers. The standard is effective for annual reporting periods beginning on or after 1 January 2029, with earlier application permitted. The Group does not currently expect the application of IFRS 20 to have a material impact on its consolidated financial statements.

6 Events after the reporting period

No events have occurred after the reporting period, 30 September 2026 that would require adjustment to, or disclosure in, the condensed consolidated and separate interim financial information on accordance with IAS 10, Events After Reporting Period.

*ECL movement for cash and cash equivalents are included under loans and placements with banks.

9 Income tax expense

1 *The Company*

The Company has accumulated tax losses as at period end. The tax expense for the Company relates to withholding tax.

2 **The Group**

SBM Bank (Mauritius) Ltd

The overall effective tax rate was 29%. (30 September 2025: 13%)

(a) Current Income tax expense of SBM Bank (Mauritius) Ltd ("SBMBM") is recognised based on management's estimate of the weighted average annual income tax rate of 13% expected for the full financial year.

SBMBM is taxed at 5% on a chargeable income of less than MUR 1.5 billion and at 15% on a chargeable income exceeding MUR 1.5 billion.

A fair share of contribution of 5% of the chargeable income and an additional fair share of contribution of 2.5% of the chargeable income arising from transactions with residents, other than from a global business entity, is applicable to SBMBM as from 01 July 2025 up to 30 June 2028.

(b) Corporate Social Responsibility (CSR) contribution at 2% is on chargeable income arising from transactions with residents of the preceding year.

(c) Corporate Climate Responsibility (CCR) Levy at 2% is on chargeable income.

(d) Deferred tax has been calculated at the rate of 25% for residents and 21% for non residents & Global Business License holders for temporary differences arising before 30 June 2028 (September 2025: 24% for residents and 20% for non residents & Global Business License holders). For temporary differences arising after 30 June 2028 , the deferred tax rate has been calculated at 18% for residents and 16% for non residents & Global Business License holders. (September 2025: 17% for residents and 15% for non residents & Global Business License holders)

(e) SBMBM is liable to pay a special levy as per the VAT Act. Special levy is calculated as a percentage of the Bank's leviable income from residents excluding Global Business Licence holders. Special Levy is accounted as an income tax expense as at the reporting dates.

The minimum amount prescribed for Special levy on Banks with respect to the base year has been repealed under the Finance Act 2025, therefore SBMBM will be required to pay a special levy of 5.5% on its leviable income at all times as from accounting year starting 01 January 2026.

Other banking entities

The applicable tax rate for India is 26% (2025: 26%), whereas that of Madagascar is 20% (2025: 20%) and Kenya is 30% (2025: 30%).

Non Banking entities

Non banking entities within the group are taxable at the rate of 15% (2025:15%), CCR and CSR are also applied.

10 Dividend

A dividend of MUR 45 cents per share (MUR 1,161.8 million) was declared by the SBMH at the last Board Meeting held on 30th March 2026 and paid to the shareholders on 26th June 2026 (2025: dividend 50 cents per share (MUR 1,290.9 million) declared on 20th March 2025 and paid on 18th June 2025).

11 Segment information

Segment and revenue information

SBM Holdings Ltd derives its revenue and profits from the below three different segments. The major source of revenue is from its Banking Segment.

(a) **Banking Segment**

The Group has invested in Banks in the following regions: Mauritius, India, Kenya and Madagascar. The cluster attends to the needs of a wide range of customer segments, comprising Retail, Private Banking and Wealth Management, Microfinance, Small and Medium Enterprise (SME), Corporate, International Banking, Financial, Government and Non-Government Institutions, amongst others. It depicts prominent local market shares, notably in the retail segment, while being also cautiously involved in cross-border transactions.

(b) **Non-Banking Financial Segment**

The Non-Banking Financial Cluster addresses the evolving needs of its customers through a panoply of innovative financial solutions, including capital markets expertise (e.g. trading, asset management, CIS funds, etc.), corporate finance solutions (e.g. capital raising, Mergers & Acquisitions, Private Equity), insurance agency services (e.g. tailored insurance solutions across industries), fund services (e.g. fund administration, fund accounting and security agent services), and global payments solutions (e.g. BIN sponsorship, money remittances and other ancillary services), among others.

(c) **Non-Financial segment**

The Non Financial cluster focuses mainly on the investment appetite of the Group whereby investment has been made in several sectors both local (Communication, Insurance and Hotel among others) .

The Group uses operating income as a measure to assess the performance of the segments. This excludes the effects of significant items of income and expenses, which might have an impact on the quality of earnings, such as legal costs and impairment. It also excludes the effects of unrealised gains/losses on financial instruments.

Finance income and costs are not allocated to segments, because financing and cash management activities are the responsibility of the Group's central Treasury function.

11 Segment information (Continued)

The table below shows the segment information for the nine months ended 30 September 2026 and also the basis on which revenue is recognised.

Segment assets	435,397,811	2,145,596	6,397,799	443,941,206
Segment liabilities	394,063,168	2,537,164	6,832,658	403,432,990

Sales between segments are carried out at arm's length and are eliminated on consolidation. The amounts reported with respect to segment revenue and segments assets are measured consistently with the Group's external reporting. Segment assets are allocated based on the operations of the segment and the physical location of the assets

12 Fair value of financial assets and financial liabilities (Continued)

Fair value measurement hierarchy

The fair value of equity investments that are quoted on active markets are based on the quoted prices for these instruments. Valuation techniques used to estimate the fair value of unquoted equity investments include the dividend growth, discounted cash flows and net assets. Management has made certain assumptions for inputs in the models, such as risk free rate, risk premium, dividend growth rate, future cash flows, weighted average cost of capital, and earnings before interest depreciation and tax, which may be different from actual. Inputs are based on information available at the reporting date.

The determination of fair values, estimated by discounting future cash flows and by determining the relative interest rates, is subjective. The estimated fair value was calculated according to interest rates prevailing at the reporting date and does not consider interest rate fluctuations. Given other interest rate assumptions, fair value estimates may differ.

Fair value measurements of financial instruments can be grouped into level 1 to 3 based on the degree to which the fair value is observable, namely:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The table below analyses financial instruments measured at fair value at the end of the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised:
